

**CALLING ALL UNALTERED LASALLE  
CATS!!  
TRAP, NEUTER AND RETURN  
PROGRAM**

Let's get the community cats in LaSalle cats fixed and cut down on the cat population! Northern Colorado Friends of Ferals in Fort Collins is offering free spay/neuter clinics for feral and outdoor tame cats paid for by the Town of LaSalle.

If you are feeding feral cats or strays and want them to be spayed/neutered, please call the number at the bottom of the page. Our volunteers are available to help you trap cats. Spay/Neuter is free and includes vaccinations for distemper and rabies and a health check for each cat.

Time and space are limited and cats will be taken by appointment on a first come, first served basis, so please call as soon as possible.
